

WORKING WESTERN

POINTS MAY BE ACCUMULATED IN TWO CATEGORIES, SANCTIONED AND NONSANCTIONED

Working Western disciplines eligible for these categories include: reining, cutting, team penning, roping, reining working cow horse, ranch sorting, cowboy mounted shooting and obstacle (trail) challenges.

For points to be included in the sanctioned category, BOTH the class AND the event must be governed by one of the following organizations: National Reining Horse Assoc (NRHA), National Reining Cow Horse Assoc (NRCHA), National Cutting Horse Assoc (NCHA), American Cowboy Team Roper's Association (ACTRA), United States Team Penning Assoc (USTPA) and the Cowboy Mounted Shooting Assoc (CMSA).

Many national associations govern roping events. BE SURE TO INDICATE THE SANCTIONING BODY on Entry Form F for all roping entries. Entries without a sanctioning body noted will automatically be entered into the unsanctioned category.

Events or classes that are not sanctioned by any of the approved governing bodies are eligible for points in the non-sanctioned division which may include (but is not limited to): open shows, playdays, jackpots, ladies, mens, green horse, green rider, or others.

If a sanctioned show has both sanctioned and non-sanctioned classes, competitors may compete in both and submit points for each division (PLEASE USE SEPARATE ENTRY FORMS FOR CLASSES IN EACH DIVISION.)

Points will be awarded for Working Western in accordance with the following:

Placing:	1st	2nd	3rd	4th	5th	6th	Participation
Points:	8	6	5	4	3	2	1

You must attach your score sheet along with your show placing for Working Western points to count. Results should be submitted on Entry Form F.
