The ring procedure should be the same routine used when judging standard halter classes. The judge evaluates the ability of the junior to follow directions, use space wisely, and execute the requested patterns. Juniors should appear “ring wise”, be alert to the judging progression and be prepared for changes in the judging routine. This is not a showmanship class and a showmanship pattern should not be used.

RIDDEN WELSH CLASSIC
Article 115.7. 1 Object of the class This is an exciting class designed to show the ability and true natural Welsh movement of the four Welsh sections aged four years and older. It requires a high level of training of both rider and horse and is not a novice class. To be shown at the walk, trot, canter with animation on both reins as a group, also the individual show, which must show all four gaits, the gallop in one direction only. Based mainly on the ridden classes in the UK but modified for safety because of the difference in the type of show rings in both countries. To be judged 50% on performance and 50% on conformation, in the case of a tie the animal with the highest riding score will take precedence.

Article 115.7.2 Ring procedure Enter the ring, clockwise. The judge, using the whole ring, will ask for the gaits via the ring steward walk, trot, canter in both directions. Asking for lengthening at the trot is highly recommended. The canter will be achieved through the trot and the direction will be changed across the diagonal at the trot. The judge will line exhibits up in order of initial preference. Each entry will then complete an individual show according to the posted pattern. Different patterns may be used for section A/B and C/D. The object of the individual show is to enable the riders to show their animals to their best advantage. All four gaits must be shown at this time, the true gallop in one direction only and not to excess, along the
long side is strongly recommended. The gallop should be achieved through the gaits and back down through the gaits showing good transitions and obedience. Sliding stops are incorrect and will be penalized. The individual show is the exhibitor’s chance to shine.

All animals will then be stripped and judged for conformation and shown at the walk and trot in hand by the rider. A groom is required for each exhibit at this time to assist the rider in stripping the horse and then to re-saddle/mount. Once conformation judging is finished riders will remount and may be put back on the rail at the walk for final placings. Judges are encouraged to award the ribbons in person. A lap of honor may be ridden by the top four exhibits.

**Article 115.7.3 General** Qualified UK and US judges to judge. To qualify WPCSA Approved judges must attend a clinic on The Ridden Pony and Cob Class or learner judge once with a qualified WPCSA or UK judge. UK judges must have judged a Ridden Cob class in the UK. The class is an English class only, no Western, saddleseat, sidesaddle tack or attire. A double (full) weymouth bridle is recommended, although the length of the curb must not be excessive, pelhams and snaffle bridles are permitted. No martingales, cavesson nosebands only. Horses should be ridden with contact and forward into their bridles. Open to junior and adult riders but class may be split if entries warrant. Split by age of rider before section of entry.
