ANGEL HEART FARM

Established in 2001, Angel Heart Farm is a non-profit organization that uses equine assisted therapy for children facing chronic or life-threatening illness and their families in conjunction with their medical treatments. The only program of its kind in TN. Angel Heart Farm serves children who are facing a host of illnesses including all forms of cancer, brain tumors, heart and liver issues, blood disorders, cystic fibrosis and several other life-threatening illnesses. Families from all over the southeast including TN, KY, AL, GA and OH have come to AHF for the therapy they provide. Angel Heart Farm is unique in the fact that they work with the entire family, not just the child facing the illness. On a case by case basis, AHF works directly with children’s nurses, physicians, child life specialists and social workers to insure each child receives an experience at the farm that is beneficial to them and their entire family.

For the first time RVW is offering two classes at a show where the entries for those classes will go to Angel Heart Farm. ALL of the proceeds earned on entries for the Angel Heart Ride for the Gold and Angel Heart Drive for the Gold will be sent to the foundation to help brighten some child’s life!
