THE 1997 AMERICAN NATIONALS OKWPS TULSA STATE FAIR SHOW

JUDGES:

MS. R.M. RUSSELL-ALLEN

American National Breeding Division

MS. CECILE K. HETZEL-DUNN

OKWPS Breeding Division and American National
Performance Classes

Once again the Tulsa State Fair OKWPS Show and American National Show had record breaking numbers of Welsh Pony and Cob enteries. The Welsh Cob division, for the first time, had the 2 and under colts and fillies separated by sex as well as the 3 and over divided by gender. All four classes had over the minimum number required for points and the quality of the entrants was exceptional. Also offered and filled were the Cob driving classes. With more of us turning out and showing our cobs, we are making some great strides in getting classes offered to us.

The weather was interesting. Thursday and Friday were exceptionally hot with the temperature and humidity in the 90's. Then Saturday, the thermometer dropped into the low 70's with a chilly breeze. With a bit of rain here and there we were all kept on our toes as to when we could exercise and wash our horses. Everything seemed to work out fine however and it was nice to have all of our events in the main arena rather than switching as we have other years.

The days were long due to the high number of entrants (26 in Open English Pleasure and 23 in Sec. A Driving). Some classes were split into heats which increased the judging time significantly. We did manage to fit in some lunch and dinner breaks and were treated to a wonderful Musical Dressage performance by Kentchurch Chime one afternoon. Kentchurch Chime, by the way, became the first Welsh Cob to receive the Legion of Merit Award as he placed first in his final Cob English Pleasure class of the show. Congratulations to Chime, owner Mary Alice Williams, and rider Nancy Hinz! (see photo below)

Cob Pleasure Driving was exciting with Derwen Denmark of Glenhaven Welsh putting in an excellent performance to win all three classes. Denmark is really a great ambassador for Cob Driving as he competes in many open driving shows and does extremely well. His years of experience are evident. English Pleasure for Cobs was delightful. Powysvalley Tamara, Minyffordd Megastar, and Kentchurch Chime all competed very admirably with Tamara winning two of the classes and Chime one and

Megastar taking second in two and third in one. (Not bad for his first Welsh English Pleasure and me riding him instead of his trainer. Yes, my saddle and I stayed on this time! I know you were all wondering after last years entertaining fall. see photo below as proof of staying on horse!)

The Cob In-Hand Division was quite exciting for all of us present. The colt 2 & under was won by Mynydd Hir Starbucks (Mynydd Hir Stud) under both judges with the filly class being won by Crossroads Chocolate Chip (Main Event Farm) under Ms. Russell-Allen and Jaycobs Easter Princess (Jaycobs Farm) winning under Ms. Hetzel-Dunn. The fillies and colts were then combined for the Futurity and Mynydd Hir Starbucks won first under both judges.

Mares 3 & Over was won by Powysvalley Tamara (Glenhaven Welsh) under both judges and the Stallions 3 and over was awarded to Minyffordd Megastar (Mynydd Hir Stud) by both judges. Megastar also was the winner under both judges of the Adult Futurity. The Cob Championship (both judges) went to Minyffordd Megastar with Reserve being Powysvalley Tamara. Ms. Russell made Minyffordd Megastar her Reserve Supreme Champion (to Sleight of Hand, Sec. B stallion) and Ms. Hetzel-Dunn put Megastar Supreme Champion with Powysvalley Tamara Reserve Supreme. Way to go Cobs!

The show had a very real sense of friendliness and cooperation which I thought was wonderful. Sometimes competition can take precedence over being friendly and helpful and this just didn't seem to be the case this show. Great work everyone!

1997 Royal Welsh

reported by **India Haynes**, photos and some info by **Carol Maurer**

For the third year running, the Royal Welsh enjoyed spectacular sunshine. Tuesday classes saw the youngstock and Wednesday the senior Cobs. Thursday the weather changed, and the ridden Cob classes suffered some downpours.

Cob breed classes were judged by Len Bigley of the Llanarth Stud, Sec C by Keith Spenser, and ridden Cob geldings and Sec. C by Mrs. Blaker and Mrs. Janes. Ridden Cob mares and stallions were judged by Miss Ann Wheatcroft and Miss Sarah Smith. The Ridden Cobs are judged under a points system with one judge awarding for conformation and one for ride. There were over 150 entries for the the four sections of ridden Cobs. It was quite a day of riding for the judges. Dimbeth Sion won the Ridden Stallions and Driven Stallions - the first time a double like this has been accomplished at Royal Welsh. Results:

FROM THE MAILBAG

News from Maine

India Haynes, Waterford Stud

Several Maine Welsh enthusiasts traveled to Topsfield, MA, for the annual New England Show. This included Patti Murphy of Bridgton with her yearling filly, Waterford Flora Ddu, Renee Brown from Ellsworth with her mare, Madama Butterfly of Penrhyn, and India and Bill Haynes with Nesscliffe Sunrise with Waterford Diplomat and her colt Waterford Crown Pilot. In attendance to cheer them on was Shirley Foster and Allison Wilson as well as numerous Haynes and Browns. It was a good show for the Pine Tree State with the supreme in-hand and several other championships being taken home across the Kittery Bridge.

Once again, the Oxford County Agricultural Society will have Cob classes at their annual fair. Classes for Cobs and Half-Cobs were well supported last year and hopefully, will have increased entries this year.

Allison Wilson of Thomaston, ME, has two Cob foals. Both are by Sydenham Nocturne out of her mares Waterford Famous Victory and Waterford Bounty.

India Haynes travelled to Wales for the Royal Welsh and to do some Cob shopping for clients. She was rewarded for her grooming duties by leading the winning yearling filly (out of a class with 52 entries!), Minyffordd MaryEllen, for Milton Jones in the parade. The rest of the visit was spent seeking out some top Cobs for American buyers, including the not unfavorable task of finding a riding gelding. She found a really outstanding riding Cob for Marianna Avery of WA. This is one to watch for in the upcoming season! Rebecca Lash of Waldoboro, ME, a longtime breeder of classic Shetlands and Hackneys, is anxiously awaiting the arrival of a super yearling colt Cyfyng Tysysog Trevor.

Waterford Stud held an open barn day in conjunction with the State of Maine Agricultural Department. The state sponsored the day and provided publicity and signage. In spite of its rural location, Waterford Stud had over 200 visitors. Welsh cakes, scones, and tea as well as coffee were served. Information sheets on the breed and about specific animals were handed out.

Ruth Laufer

Knightsynd Welsh, PA

It was with great sadness that Tracy and I learned of the passing of Gordon Heard of Crossroads Farm, Berryville, VA. The Welsh world has lost a breeder whose influence has been felt since his Crossroads prefix was registered in 1965, perhaps longer- I am not sure when Gordon entered the Welsh world.

Gordon was one of the first importers of Cobs to the United States and his support and sponsorship of Welsh shows will be missed by many. Although he did not get out much to the shows in recent years, there always seemed to be classes sponsored by Gordon at the shows we attended. His enthusiasm for Cobs was unfailing.

It was as Cob breeders and enthusiasts that we began our acquaintance with Gordon in 1992. Our foundation animals were

purchased from Gordon at that time, and since then, his knowledge and sage advice have been invaluable to us. I am certain that this is true of many who have purchased a Crossroads animal.

Tracy and I will miss our regular phone calls to catch up on happenings in the "Welsh World" and to fill Gordon in on how things were going here. We will miss his guidance, advice, and encouragement as well.

We were saddened to be unable to share with Gordon the success of our last big show of the season. He would have been pleased to know that his stallion, which we have on lease, *Cascob Flying Colours, had a wonderful show. Tuesday evening, unknown to us the day after Gordon had passed away, Flyer defeated seven other horses in his driving class at the Crawford

From the Mailbag continued

County Fair and the next day, he was judged Reserve Grand Champion of his halter division. He defeated Saddlebreds, Thoroughbreds, Paso Finos, our other Welsh Cobs, and several other breeds for this distinction. There were a total of more than 600 horses shown at the fair and Flyer, at 17 years old, put on quite a show. Gordon would have been proud!

I'd like to think that Gordon knows- he had a prime seat up above and watched Flyer do his best for his old friend and owner looking down on the show.

Quick note from Lynda Gillen-Smith Newberry, Florida

We have yet another address change. Fortunately, this one is permanent. (All you directory owners, please note!)
Lynda Gillen-Smith, 416 NW 202 St., Newberry, FL 32669

We are having a ball living next door to Celia Evans (Dragon's Lair). This place is horse paradise. He have the beautiful Canterbury Equestrian Center around the corner from us. We took several Cobs and a pony to an Arabian Open Show. Groups of people were following us out of the ring to see what the Cobs were and Celia got an Arab mare wanting to breed to her stallion. Great place to launch Cobs in Florida!

Bonnie Barbey Mynydd Hir Stud, CO

We've been really busy this summer at MHS. Shipping off my 2 year old colt, Mynydd Hir Rising Star to Arizona was traumatic for me, but he got a great home. Getting ready for the Tulsa Nationals took up a lot of time. I began riding Megastar in July at the trainer's place. It took us a while (at just one or two days a week together) to get accustomed to each other, but Mig seems to like being ridden by me quite a bit. My riding skills need to improve so I can get him to collect and move out like the trainer does, but hey, give us time. I only drove him 3 times this year,

so I was much more relaxed going into the ridden classes at the show than I was the driving. I'm sure my driving competition would appreciate my learning a bit more finesse in "traffic management" so the classes will be a slightly less like the "Ben Hur Chariot Races". (All I lacked was the spiked wheels!) Sorry guys! I'll work on it. (see deceptively calm photo below)

We had one English Pleasure class to prepare us for the Nat'l's...at an Appaloosa Open Show here in Durango. The riding went great, but after the back-up Mig decided standing still wasn't in the cards that day. Fortunately for us, the judges had decided already and we took 1st place under both of them.. Both judges came up to me after the class and asked if he was anywhere nearly as fun to ride as he looked. Sweeping the "in hand" with all three Cobs (Geler Megan, Mynydd Hir Starbucks, and Minyffordd Megastar) didn't hurt Cob awareness in Durango.

Mynydd Hir Starbucks...photo by Daniel Barbey

I have to give Todd major credit. He went into the ring with Megastar at the Nationals, after winning all the 2 & under classes with Mig's son, Mynydd Hir Starbucks, with a painfully torn calf muscle. Anyone who has seen Todd and Mig show in hand together knows that Mig MOVES OUT! Poor Todd! He actually did a great job as Megastar turned on the juice. None of us knew that he was praying that the judges wouldn't ask for a Supreme Champion run. Fortunately, they didn't, and after a few days, Todd hardly limped at all. Great job...to both of them and to son, Daniel, who showed our girls very well and also Starbucks in the Cob Championship!

Offers for sale

- **Calonnog Cymry** – 3 y.o. Sec. D stallion out of Mary's Bronwyn by Derwen Denmark. This flashy black would make a standout dressage horse and with his pedigree will be a remarkable stud. *Nog* is handled daily and behaves well. He is ready for serious training. \$8500.
 - **Cymry Pwdin Bach** – 2 y.o. Sec. D mare out of Mary's Bronwyn by Brynarian Braint ap Maldwyn. *Puddin* is dark brown with a white hind sock. She has a well rounded cob body with strong legs. Her temper is very sweet and willing. Pedigree and disposition make this mare suitable for all equine disciplines as well as a superb breeding prospect. \$5000.
 - **Cymry Wybren Tymhestros (Welshman's Stormy Sky)**– 1 y.o. Sec. D. Cob Mare. Full sister to Cymry Pwdin Bach, *Sky* is the same colour, same shape, same sweet personality and is suitable for the same uses as *Puddin*!. \$4500.
- **** *Puddin* & *Sky* move alike and are happy pasture mates. They would make a superb driving team for someone looking to compete at the highest levels.
- **Cymry Duges Mari (Duchess)** – August 1997 edition of the Mary's Bronwyn / Brynarian Braint cross. *Duchess* looks just like her two full sisters above and is as sweet as any filly could be. She will be weaned in late October and will be ready for a new home in December. \$3500.
 - **Cymry Prince Madoc** – Sec. D colt, born July 1997. Out of Madoc's Queen Elizabeth by Brynarian Braint ap Maldwyn. *Prince* foaled a bright chestnut and now that his real colour is showing through it seems he will go a classic liver chestnut. Prince is a big, well-muscled foal. He has a pleasing personality and combined with his matchless pedigree will make an outstanding performance horse and stud prospect. We would prefer to sell him to a breed/show home. \$ 4000.
 - **Cymry Cwmlw(Cloud)**– Out of our QH/pony mare Spring by Calonnog Cymry. 5-month-old part bred filly. Spring currently a dark red roan (colour changing almost daily!). She should mature at 13h and would make a good child's horse. \$1000.

All of our horses are handled daily and are current on vaccinations. Please contact us at the above address or telephone number for further information.

GORDON TASKER HEARD

1908-1997

Thank You Gordon. We'll miss you!

Catherine Corley, Executrix

Estate of Gordon T. Heard

Gordon Tasker Heard, 89, of Berryville, Virginia died Wednesday, August 20, 1997 in Winchester Medical Center, Winchester, VA.

Mr. Heard was born May 16, 1908 in North Conway, New Hampshire, the son of Howard and Georgia (Tasker) Heard. He was the grandson of William Demerit Tasker, who was a pioneer hotel man in Intervale, New Hampshire. He spent a good portion of his youth at the Fairview Hotel, owned by his family in Intervale. He attended Fryeburg Academy, Maine, and the Boston Conservatory of Music in Massachusetts. Mr. Heard was a restaurateur, and lived in Aspen Colorado for several years, where he owned and operated his restaurant.

After returning to New Hampshire, he established Crossroads Farm in Thetford Hill, Vermont, later moving to Oxford, and Lyme, New Hampshire, and finally to Berryville, Virginia in 1986. He remained active at Crossroads Farm until his death. Mr. Heard was a noted breeder and member of the Welsh Pony and Cob Society of America. He was a past director, and recently received the Lifetime Award from the Society in 1996. He was Founder and Life Member of the New England Welsh Pony Society.

Mr. Heard enjoyed traveling and spirited conversation, and had many friends and acquaintances throughout the United States, and various other countries. He was a member of the Blue Ridge Hunt of Clarke County Virginia, and also held membership in numerous local and national organizations. He was an avid reader, and was the author of The Hotels of Intervale, a book detailing the history of the hotels and their owners in the New Hampshire village during the period 1850-1890.

One sister, Frances, and two sons, Tasker Treman Heard and David Marston Heard preceded him in death. He is survived

Gordon Heard pictured with Todd & Bonnie Barbey

by one daughter, Claire Nissan-Mara, of Williams Bay, Wisconsin, a brother, Edwin Heard of Sebastian, Florida, four grandchildren, and four great-grandchildren.

Interment will be in Intervale, New Hampshire.

The History of Crossroads Farm

by Karen Mustain

Thirty-six years ago, a neighbor stopped at Gordon Heard's residence and asked him to take a look at what he had bought that day at the local auction. There, in the back of his truck, were two of the most beautiful animals Gordon had ever seen, Welsh ponies the neighbor had been told. Gordon promptly purchased both mares and then contacted the National Welsh office to see about getting their registrations. Through much correspondence with Mrs. Sidney Swett, the identities of Farnley Checkers (Farnley Conqueror x Vaynor Chess) and Finney's Bluebell (Severn Tornado x Gwynedd Bluebell) were established and certificates were reissued to replace the ones they learned had been thrown out by the truck driver's assistant. These two ponies remained with Gordon for many years and then were sold to families with children. Recently, Gordon heard from one of the children who is now grown and is looking for a pony just like her childhood companion for her own children.

It was through the constant correspondence that Gordon and Sidney's friendship developed. It was on Sidney's advice that Gordon contacted Jack Schuller in New Port, Vermont, where he wintered his mares. Gordon was invited to visit, and upon his arrival at Mr. Schuller's farm, was greeted by Heatherstone Chocolate Chip, Plum Creeks Venus, and Kirby Cane Sea Nettle. He liked them all right away because they had all come out to greet him. Heatherstone Chocolate Chip, Plum Creeks Venus, and Plum Creeks Shawn were each purchased at a very reasonable price. Within a short period of time, Mr. Heard and Mr. Schuller were fast friends. As Mr. Schuller was moving his herd to a new farm, he would drop off one or two mares each trip, Kirby Cane Sea Nettle was among these. All of the mares were either imported or out of imported stock. They were all gifts to Gordon from his new friend.

Soon, Gordon's seven acre farm in Orford, New Hampshire, was overwhelmed by Welsh ponies, and the growing herd was moved to 99 acres of good pastures and fields in Lyme. Gordon's interest in Welsh continued to grow. While visiting relatives in the area, Mrs. Joan Mackay-Smith asked whether Gordon would become a director of the WPCSA. He was soon elected to the Board and served for nearly a decade. After about 10 or 12 years, when B's became popular, Gordon purchased Plum Creeks Midnight from his friend Jack and began breeding Section B's. Roger Van Cleave once leased Midnight and took him to California to breed mares there. Later, when Gordon purchased

his first cob, Derwen Rebound, he sent Midnight to live with Susan Yogerst along with several Section B mares she purchased. Gordon felt this was best for Midnight because he didn't want the new stallion to upset Midnight's temperament. Midnight lived with Mrs. Yogerst until his death in the winter of 1996.

The transfer of young *Derwen Rebound to new owner, Gordon Heard

While serving as a director of the Welsh Pony Society of America, a position he held for ten years, Gordon first saw a Welsh Cob at Grazing Fields Farm. He was impressed with not only the size and power of the Cob but also with its pleasant disposition. In 1971 he sent his 3 year old Sec. B filly, Crossroads Happy Day, to Grazing Fields to be bred to Mrs. Ingersoll's Welsh Cob stallion. Happy Day continued to produce numerous Sec. D foals at Crossroads. By 1973 Gordon imported his own Section D stallion, the black one of the famous Derwen Rosina's Last, Derwen Rebound.

At the time, Gordon imported Derwen Rebound, he and Hope Ingersoll were the only Cob breeders in this country. Many imports by Gordon and Mrs. Ingersoll followed, and the Welsh Cob Society of America was eventually persuaded to carry on with the registering of the Cobs, and once again, became the Welsh Pony and Cob Society of America. During the 1980's, he imported the mares Menai Crugddu, Menai Mighty Model, Gwrthafarn Rosemary and Menai Ceris, and in 1982, the bay son of Nebo Dafydd, Cascob Flying Colours, was purchased to answer the need for an unrelated stallion to breed to the Rebound daughters produced at Crossroads. After exhaustive research of pedigrees and numerous trips to Wales, Gordon imported two 2 year old fillies; Derwen Railway Lady and Parc Maureen, in 1987. By this time, he had moved his farm to Virginia and had begun to see an increase in demand for Welsh Cobs throughout the United States and Canada.

Pony King, Dressage Ambassador

by Joyce Lovell

Gail Thomson cried. Toes tingled and mouths dropped as a wave of silence washed over the arena. "The Pony King," a.k.a. Kentchurch Chime of Madoc Farm in Willis, a 14.1hh Welsh Cob, claimed his audience and firmly established himself once more as dressage ambassador as he performed his Intermediary Musical Freestyle in two regional shows this past month. Owned by Mary Alice Williams and ridden by Nancy Hinz, "Chime" danced through the Tulsa Area Pony Show in Tulsa, OK, May 23-25 and again at the Gulf Coast Welsh Pony Association show June 6-8, to the enjoyment of all. Even tired children froze to listen and to watch the 4 and 1/2 minutes of artistry we all love. Future Olympians, no doubt!

Designed to showcase the powerful stallion's flexibility and natural showmanship, Nancy and Mary Alice enlisted the aid of Abby Straus of New York to match just the right music to the gaits and personality of the palomino dynamo. Lurena Bell-Stanley and Nancy worked at length to choreograph the piece which, of necessity at this level, includes collected and extended walk, trot and canter, as well as shoulder-ins, both directions, half passes in trot and canter, both directions, full pirouettes, and five each of two tempis and three tempis. The feathers do fly!

As the popularity of the musical freestyle grows, we can expect to see more and more of such performances. Go Texas!

Watertown, WI July 19, 1997
Silver Rated Show **Judge Kim Sievers**

The sponsors (George & Thalia Gentzel, George Griffith, Marilyn Maglio, John & Pam McGlynn, and Joe & Mary Miserah) and exhibitors alike were well-pleased with this first annual affair. The philosophy, based on the Gentzel's 1995 visit to the Severn Valley Foal Show in Wales, was to provide serious competition within a country atmosphere. Halter divisions were held on the emerald expanse of the McGlynn's front lawn bordered by lines of colorful pennants and shade trees. A sumptuous fresh ham with roast ear corn and potato dinner followed. Afternoon driving classes were held in a larger field behind the barn/office area.

Show managers within the North Central Region are dedicated to providing a strong circuit for Welsh exhibitors with Minnesota and GLMPHA (Wisconsin) in June, WE in Wisconsin in July, Welsh of Wisconsin in August, and Michigan in September. Ample opportunities for exhibitors of Cobs and Half-Cobs now exist and the response has been excellent!

Welsh Pony and Cob Performance Show

August 23-24, 1997

Dr. Wynne Davies

For the first time it was a Welsh Pony of Cob-type, section C of the Welsh Stud Book, who became points champion of the Welsh Pony and Cob Performance Show held in Felin Newydd, Llandefalle, Powys, home of Sir Martyn and Lady Jennifer Evans-Bevan. For too long regarded as the "Cinderella" of the Welsh breeds, Section C success did not end there, another sharing the reserve championship with a large part-bred who has dominated the competition for the last three years.

Gwen Davies, riding the champion, Gellihaf Sant, did particularly well since he is still only four years old, is still a novice, and was competing against animals who have completed the hunter trials course at Felin Newydd many times. Gellihaf Sant (Tyntyla Dafydd x Gellihaf Hafan) won several prizes as a yearling for his breeder, Don Daye of Blackwood. He was bought by Gwen's parents at the 1995 Royal Welsh Sale and kept a stallion for 1996. They have some foals by him before Gwen decided that he should become a performance gelding! Gwen is no newcomer to performance success having won the 15.2hh Intermediate WHP competition at Ponies (UK) on her home-bred Delfach Free Spirit.

Sant won his section hunter trials, was 2nd in WHP and show jumping, and 4th in dressage. Joined by Hana Morgan on Oakhouse Peregrine and Josie Tanner on Oakhouse Linnet, this trio won the Area Association Team Competition for the Severn Valley Area.

The other Sec. C who was joint reserve points champion was Nicole Hall's ten year old gelding, Sackville Nicky (Synod Roy Rogers x Ceulan Nesta), who won the ridden championships over the four sections and the large and small part-breds along with second in dressage, 3rd in the hunter trials and fourth in both the WHP and show jumping. Nicky was Sec. C reserve points champion in both 1995 and 1996, but this is her most successful year having earlier been M+M ridden champion at the East of England an M+M WHP champion at the National Pony Show.

IN THE KITCHEN WITH ANNA

Trout Wrapped In Bacon

4 trout	1 T chopped chives
4 slices of lemon	salt
Black pepper	8 rashers smoked bacon
Greek yoghurt mixed with a little fresh horseradish	

Clean trout and prepare for cooking.

Put chives and a slice of lemon in the belly of each trout with some salt and pepper. Wrap each trout in 2 slices of bacon. Lay fish side by side in a baking dish and bake 375degrees F. for 15-20 min. or until bacon is crisp on top and the trout is flaky. Serve trout with the sauce of yoghurt and horseradish, mixed to taste.

Blackberry Bread Pudding

10 Slices of thin day old bread with crusts cut off	Juice of 1 orange
6 ozs caster sugar	
1 lb. blackberries	1 T. Cassis Liquor

Cut a circle of bread to fit in the bottom of a 1 1/2 pt. pudding basin and some wedge shaped pieces to fit around the side. Press firmly to line basin with no gaps. Heat orange juice and sugar to dissolve. Add blackberries and cook for a few minutes. Take off the heat and strain about 5 ozs of the fruit juice. Save extra juice. Pour the fruit and the remaining juices into the bread lined bowl. Arrange the remaining bread over the fruit and cover with a saucer that fits snugly into the top of the bowl. Place a weight (a can of beans or something similar) on top of the saucer and leave overnight. Next day turn the blackberry pudding out onto a large serving dish. Add the Cassis to the remaining blackberry juices and pour onto pudding. Serve with fresh cream.
