ATTENTION EXHIBITORS

Calls for classes: Classes will be called promptly. Two minutes will be allowed after the first pony/cob enters the ring, after which the gate will be closed. All tack holds must be given to the paddock master prior to the beginning of the class preceding the hold request.

Program & PA Courtesy: Due to late entries, human error and problems with mechanical devices, the program and the paddock barn calls over the PA system must be considered a courtesy. It is the responsibility of the exhibitor to be sure that his/her pony/cob is at the gate for their class. While every effort has been made to assure accuracy of the program and dependable operation of the PA system, no protest will be upheld on the basis of error in the program or PA malfunction.

Driving: Removing the bridle from an animal harnessed to a vehicle, or leaving an animal unattended while hitched, anywhere on the show grounds, will result in instant elimination and removal from the show grounds.

Junior Exhibitors must wear approved protective headgear (AMTM/SEI) at all times whenever mounted or in a driven vehicle at all times while on the show grounds. Harness must be secured and properly fitted. Any exhibitor violating this rule at any time must immediately be prohibited from further riding/driving until such headgear is properly in place.

Scratches: Please advise the show secretary/announcer/paddock master of all scratches as early as possible.

Measuring: Wednesday 8:00-9:45 am; Thursday 7:00-7:45 am; Friday 7:00-7:45 am. Competition number will not be issued until measurement has been completed.

Under Oklahoma law, an equine activity sponsor or equine professional is not liable for any injury of a participant in equine activities resulting from the inherent risks of equine activities pursuant to the Oklahoma Livestock Activities Liabilities Limitations Act.

*BLANCHE MONTANA

Having proven himself in the show ring, at the most prestigious of venues, Montana is now enjoying pasture time with his mares.

We are delighted with his first two foal crops, this side of the pond, and are enjoying their early successes in competition.

We have some outstanding youngsters available. Please feel free to contact us if you are looking for a top quality pony!

The 2021 South Central Stallion Auction quickly went from two members with an idea for a fund raiser to a wildly popular auction that raised thousands in just two weeks! That money helps the region keep show costs low to exhibitors and provides a “purse” for the region’s all new Royal Foal Futurity class that will be debuting at the Spooktacular show in Chickasha, OK 10/28-10/30.

Our 2022 Stallion Auction doubled not only in donations of stallion breedings but bids as well. This allowed for an even larger purse and a generous donation to the American Nationals Show.

Contact **Michele Grosser** mgrosser2005@yahoo.com or **Amanda Frazier** vaqueraequine@gmail.com for more information or to have your stallion featured in the auction.
