

SOUTH CENTRAL WELSH PONY AND COB SOCIETY

JUDGES CLINIC

AT

FIELDSTONE PARK

JULY 13th, 2025

TOPICS: Understanding Breed Type for Every Section.

CLINICIAN: Shari Beecher Breeder of Welsh Ponies and Cobs since 1998. Dr. Shari Beecher is the owner of Heavenly Welsh Pony Farm. Dr. Shari has bred every section of Welsh, including half-Welsh. Her main breeding focus has been the section A Welsh mountain pony. This talkative judge is very people oriented and loves to help individuals with life and ponies. Today, ponies from Dr. Shari's Heavenly farm reside in at least 33 states and three countries. Ponies from her farm have been USEF Hunter Champions, WPCSA National Champions, Multiple Supreme conformation Champions, USEF and WPCSA Pleasure and Carriage driving champions, best friends, companions, and solicitors of love. Let's not forget the bruises, tears, and band aids that go along with those titles. Currently Dr. Shari enjoys passing out kindness and sarcasm. As a psychologist, she works to build people up and help them understand life events. She is very approachable and loves to share her knowledge of Welsh with anyone willing to listen. Dr. Shari looks forward to seeing you at the judges clinic in July and sharing her Welsh knowledge.

THIS CLINIC IS FOR: Those interested in becoming a WPCSA judge, current judges looking to continue their education, Welsh breeders and enthusiasts, or for anyone interested in learning more about Welsh ponies, breed type and WPCSA shows.
