Biography: NC State University Certified Open Horse Show judge starting in 2000 til present. Recertified every 3 years through 2015. Completed NC State University Horse Judging Short Course in 2016. Completed Arabian Horse Judging in Dallas, TX in 2019. Judged over the years 2000 through 2022: Southwest District 4-H show twice; multiple times for East Coast Open Show Circuit in Williamston, NC; ECOSC Martin Festival Horse Show at Williamston, NC; Etowah Riding Club shows multiple times, first time in 2001 at their 35th annual show; Mid East Coast Arabian Breeders Open Fun Show; Henderson County Sheriff's Mounted Patrol Show Fund Raiser, multiple times; Spartanburg Horseman's Association, multiple times; Gaston County Saddle Club and Gaston County 4-H shows, multiple times; WNC Open Horse Show Circuit, multiple times; South Carolina Show Association Hemmingway, SC; Brandywine Springs Stables Hunter Show, Midland, NC, multiple times; Lincoln County Horseman's Association, multiple times; 2005 Spring Invitational 4-H and Open show in White Pines, TN; Fleetwood Equestrian Center Horse Show, multiple times; Whitehaven Plantation Open Show, Bishopville, SC; many more in Martinville, VA, SC, TN, and NC. I have been showing horses and ponies since I was 12 years old. I judged at the NC 4-H State senior judging team at 13 years old and our team was 4th overall. I have judged the following breeds: Arabians, Quarter Horses, Appaloosas, Thoroughbreds, Morgans, Drafts, Minis, Hackney Ponies, Norwegian Fjords, Shetlands, Hackney Ponies, Welsh, Paso Finos, Walking Horses, Spotted Saddle Horses, Rocky Mountain Horses, Racking Horses, Mustangs, Missouri Fox Trotters and even a Peruvian Paso. Having said that, I learned how to judge each breed according to their breed specs. Open shows can be the hardest shows to judge because of the variety of conformation and class options. I have to be able to judge Western, English, Hunters, Reiners, Halter, Showmanship, Equitation, Western Riding, Trail, and costume. Although, I have a long history of judging, I know that the Welsh shows are different and newer to me, but I try to follow the specs that are listed and study the rule book. I recognized I will make mistakes, but will always do my best to make sure that does not happen and try to ensure every exhibitor gets a good look and evaluation.

Biography: I actually grew up with Welsh ponies. My mom, Nan Schmidt, was a breeder (Timbercreek prefix) and I have shown them most of my life. I have shown halter, English Pleasure, Western Pleasure, Hunters, Trail, and driving. My mom loved dressage- so I have shown that as well...including Olympian Hilda Gurney scoring me a 9 on one of my Welsh ponies- Timbercreek Blackberry. My love was the hunters which I competed in for many years- including showing not only horses, but green Welsh ponies against the horses and winning! I also enjoyed showing in Arabian and Quarter horse breed shows. I competed in 3-day evening and Pony Club both with ponies and horses. I have had a training barn most of my life. Hunter/Jumper was my main focus. I did produce many Regional and National Welsh champions as well as USEF Welsh Horse of the Year Awards. I was extremely proud to take Welsh ponies that were descendants of ponies that my mother bred and raised to win USEF Medium Green Pony Hunter Champion, USEF

Medium Pony Hunter Champion, USEF Small Pony Hunter Reserve Champion, and USEF Horse of the Year Green Pony Hunter Champion! I have spent 50-plus years with Welsh ponies and now I hope to contribute in another way for a while longer!
