ATTENTION EXHIBITORS

Calls for classes: Classes will be called promptly. Two minutes will be allowed after the first pony/cob enters the ring, after which the gate will be closed. All tack holds must be given to the paddock master prior to the beginning of the class preceding the hold request.

Program & PA Courtesy: Due to late entries, human error and problems with mechanical devices, the program and the paddock barn calls over the PA system must be considered a courtesy. It is the responsibility of the exhibitor to be sure that their pony/cob is at the gate for their class. While every effort has been made to assure accuracy of the program and dependable operation of the PA system, no protest will be upheld on the basis of error in the program or PA malfunction.

Driving: Removing the bridle from an animal harnessed to a vehicle, or leaving an animal unattended while hitched, anywhere on the show grounds, will result in instant elimination and removal from the show grounds.

Junior Exhibitors must wear approved protective headgear (AMTM/SEI) at all times whenever mounted or in a driven vehicle at all times while on the show grounds. Harness must be secured and properly fitted. Any exhibitor violating this rule at any time must immediately be prohibited from further riding/driving until such headgear is properly in place.

Scratches: Please advise the show secretary/ announce/paddock master of all scratches as early as possible.

Measuring: Tuesday 12:00 - 5:00 pm; Wednesday 7:00-9:00 am; and as needed for later arrivals.

Under Oklahoma law, an equine activity sponsor or equine professional is not liable for any injury of a participant in equine activities resulting from the inherent risks of equine activities pursuant to the Oklahoma Livestock Activities Liabilities Limitations Act.

Heavenly Welsh Pony Farm

presents

As the Paddock Turns

Terri: Aisin, stop chewing on that dead weed for two seconds. Have you heard the news traveling the pasture? The National Welsh Pony Show is coming up.

Aisin: *(Mouth full)* Is that the one where the humans put white chalk on our legs and drag us around in circles until we trot like we've stepped in hot coals?

Terri: Yes, but you're missing my point! It's the event of the season. Apparently, it's crawling with pony stars, Section A royalty. Aisin! I'm talking immaculate forelocks, perfectly clean coats, and nostrils falaired.

Aisin: *(snorts)* Sounds exhausting. I prefer my forelock full of burrs and my hocks covered in mud. But wait... didn't the stable cat say there will be a singles mixer at the show?

Terri: Exactly! It is THE place to find a date. We're talkin' high-society foals, top-tier bloodlines. No offense, but the selection this this pasture is tragic. I need a colt who looks less like a hairy potato and more like a mythical beast.

Aisin: Hey! My coat has potential once the baby fuzz thins out. But wait a minute... if the whole circuit is going to be there... does that mean SHE will be there?

Terri: *(drops voice to a dramatic whisper)* Dad's ex-wife? Yes. Word on the bridleway is she's showing in the Senior Mare class.

Aisin: Oh, pasture drama! Apollo's legendary ex. The one who supposedly dumped him because his whinny was "too regional" and he refused to wear a fly mask?

Terri: That's her. She thinks she's so special just because she won a Championship in Aberystwyth three years ago. We have to go, Aisin. We need to practice our best "we are completely thriving without you" trot just in case we pass her trailer.

Until our next episode...
